

#### Important Notice:

The special 10% discount offer for cash on Electric Washing Machines that accompanied the September Electric Light Bills will hold good only until -Saturday, October 11—instead of this entire month, as erroneously printed in one of our recent advertisements.

This is an extension over the original offer (which was void September 30) that we deemed but just to our customers in view of an unavoidable delay in mailing the September bills.

Board Expects to Make It Public Next Week With Comment on Evidence.

#### CONGRESS ASKED TO ACT

vill make public next week the report of the committee that investigated the fitness of Roscoe C. Bruce o remain at the head of the colored hools and found him competent. At a brief meeting of the board yesterday Dr. Henry B. Learned, acting president, announced that the members would continue to consider the report for another week and that it will be made public with some modifications as soon as possible. Fountain Peyton, the dissenting member of the investigating committee probof the investigating committee, prob-ably will make his minority report public when the majority report is

#### To State Nature of Evidence.

Counsel for the Parents' League, hich is fighting Bruce, asked Dr. earned if the evidence taken during investigation also would be mad lic. Dr. Learned said that was for board to decide, but he added that the report which is to be given out will indicate the nature of the evi-dence on which it was based. Dr. James L. Pinn, spokesman for he Parents' League, said after the

poard meeting that representatives of the league have seen Representative Mapes, chairman of the House District committee, as to the possibility of having Congress look into the Bruce case. He said Chairman Mapes told him to submit a petition to the committee. The league, he continued, is waiting to see the testiment taken by the beard of education mony taken by the board of educatio

#### FEDERAL LAW SOUGHT TO PREVENT LYNCHINGS

a petition for the enactment of federal law to prevent lynchings has been presented to the chairmen of the diciary, Senator Nelson and Representative Volstead, by a delegation of the National Equal Rights League, an the National Equal Rights League, an organization under colored leaders, with financial headquarters at 1827 K street northwest, and executive headquarters in Boston.

The officers of the league are N. S. Taylor, president; M. A. N. Shaw, vice president; William Monroe Tretter, executive secretary, and Maurice W. Spencer, treasurer.

#### DISTRICT FIREMEN OFFER PLEDGE FOR RESIDENTS

Issue It in Connection With Observance of Fire Prevention Day Throughout Country.

Fire Prevention day throughout the United States today the local fire de-

partment issued a pledge which it want all Washingtonians to observe as follows:

"I hereby pledge myself to bear in mind during the coming year the fol-

mind during the coming year the fol-lowing facts:

"That rubbish, greasy rags and waste paper are sources of fire danger.

"That matches should be kept in metal boxes and out of reach of chil-

dren.
"That children under ten years of age should not be permitted to use matches.
"That kerosene lamps should be kept clean and filled by daylight only.
"That gasoline should not be kept in the house. "That gasoline, wherever

should be kept in an airtight metal can, plainly marked. "That clothes should not be washed in gasoline in the house, and that when washed out of doors they should not be brought in until all gasoline fumes have evaporated.

'That chimneys, flues, stovepipes and stoves should be inspected at regu-

lar intervals and kept clean.
"That all ashes should be kept in metal containers, and not deposited metal containers, and not deposited near a building or fence.

"That cotton or filmsy decorations should not be used upon 'Christmas trees, and that candles on Christmas trees are a source of great danger.

"That matches or candles should not be used to give light in closeste. e used to give light in closets.
